Dear Parents,

Since the stability of our school and the quality of its programs are of the utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, we have partnered with FACTS Management Company to help us manage our tuition payment program. FACTS is used by many schools locally and over 4,000 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

You will realize these benefits by using FACTS for your tuition payment plan:

1. **Payment Dates:** Payment dates are flexible. Automatic payments can be made from a checking or savings account. *If you elect to use your credit card, a 2.5% convenience fee will be added to each payment.* MasterCard, Discover and American Express are accepted. VISA is not accepted.
2. **Enrolling in FACTS:** You may enroll in FACTS by going online. Go to our school website www.therock.org/academy and click on the FACTS payment plan icon located at the bottom of the home page.
3. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.
4. **Peace of Mind Insurance:** FACTS offers this optional benefit for only \$12 per year per family. In the event of death of the Responsible Party or his/her legal spouse, the remaining tuition balance owed for the current school year is paid to the school.
5. **Consumer Account:** You may check your personal account or make payments online (if applicable) from the convenience of your home or office anytime.

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of the FACTS Management Company. With FACTS, the school maintains decision-making control. As always, we will continue to work with families should special circumstances or “hardship” cases arise during the school year.

Thank you for your continued loyalty and support for our school. Please feel free to contact me with any questions or concerns. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued support and cooperation is appreciated, as we remain committed to our mission.

Sincerely,
Tia Reed
