Many Christian men are under-equipped to successfully navigate through life as effectual servants, husbands, fathers, providers, and leaders in their communities. Not because men lack the will to do so, rather men have been convinced that “average” is good enough. The ways of this world are real, but they are also a real distraction and misleading, hindering men from operating in the truths God has designed for well being. Buddy Builders International helps men to better understand God given responsibilities in their lives so they may: identify areas of improvement, seek and receive help, guidance, encouragement, edification, love and forgiveness. BBI is devoted to developing Biblical truths within the man, so that he is equipped to live the life God intended, make a difference in the lives of those around him, and share the love of Christ in a hurting world. Success for the man, who believes in the Lord Jesus Christ, lies in two areas: Attitude, how life is approached; and Actions, how life is lived. When we know better, we do better! *Cost is \$10.00 for materials.*

Pastor Jonathan Barnard (303) 688-0777, ext 207

Two clear models of children leaving home are given in the Bible - Joseph the son of Jacob and the Prodigal Son. One had been instructed about respect, wisdom, and perspective, and the other had not heeded his wise Father's gentle instruction. Children are precious, and should be given every instruction to make sure that when they are

tested by the world (as they most certainly will be), they will be able to withstand whatever is thrown at them by applying simple, scriptural truths that they know to be true. *Cost is \$10 per person and \$30 max per family.*

The purpose of this program is to allow us to become free from life's hurts, hang-ups, and habits. By working through the eight recovery principles found in the Beatitudes with Jesus Christ as your Higher Power, you can and will change! You will begin to experience the true peace and serenity you have been seeking, and you will no longer have to rely on your dysfunctional, compulsive, and addictive behaviors as a temporary "fix" for your pain. By applying the biblical principles of conviction, conversion, surrender, confession, restitution, prayer, quiet time, witnessing and helping one another...you will restore and develop stronger relationships with others and with God.
