# The Rock Premarital Counseling Policy

---

Every engaged and newly married couple experiences great joy and excitement, as well as, surprises and pressures. God's desire - our desire - the church's desire - is to help you build a thriving, strong marriage which is the foundation of a healthy community.

If you are being married by one of the Pastors here at The Rock we require you to participate in some kind of premarital counseling program. You can choose the one we offer or another similar program. Couples who are being married by a Rock Pastor and elect to use another premarital counseling program, should have their counselor submit a letter indicating that the counseling program has been completed.

The Rock Pastors reserve the right to refuse to marry a couple if he or she deems the couple not ready for marriage or has serious concerns about the marriage.

Please contact Pastor Bob Holloway at 303.688.0777 ext. 220 or [bob@therock.org](mailto:bob@therock.org) to set up a time for pre-marital counseling.

Pre-marital fees: \$120 member      \$200 non member
