

DECLARATION OVER COLORADO

Castle Rock, Colorado December 1, 2019

Almighty God we worship and honor you with grateful hearts for how you have blessed Colorado and ask you to continue the good work you have begun here.

We declare God's laws overrule the laws of man. For the Lord is our Judge, our Lawgiver, and our King. He will save us.

We declare Colorado is God's treasure state, a storehouse of gold, silver and precious minerals, and it is a treasure to this nation. We call this wealth, both old and new, into your kingdom.

Father, we thank you for blessing Colorado with abundant natural resources. The majestic mountains proclaim that God Almighty rules over the high places and His voice thunders from the mountain tops. Let your lightning flash and greatly rout your enemies. We declare God will bring forth a new song from the mountains of this state to cause the nation to quake and the streets come from disturbance to rejoicing. This will be a sound that causes the thief to be exposed.

You strategically positioned Colorado to be a communication center. We declare that God rules over the airwaves and all communication systems for His righteous purposes. May the mighty hand of the Most High rest upon the mountains of Colorado and destroy the shroud around all people, the veil spread over them that they will see and know you.

We open the gates of Colorado to the King of Glory, Commander of Angel Armies. We join with our King and declare the destruction of all altars to false gods and thrones of evil powers. We declare the Most High God is feared above all gods.

Just as the headwaters of your mighty rivers spring from the Colorado Rockies to water the nation, we declare the river of God will flow freely in this state and go out to the nation to bring healing and life.

Holy Spirit, hover over Colorado bring revelation and truth. We declare a great awakening has begun and we call hundreds of thousands to come into the kingdom of God. With one voice we declare, All Colorado Shall Be Saved!

Jesus is Lord of Colorado. Take your rightful place as head of your church. Empower your covenant people to rule in righteousness with you and enforce your victory. You are building your church and we declare the gates of hell shall not prevail against it.

We declare our God reigns. For yours is the kingdom and the power and the glory forever. To you, Almighty God, be the glory in the church and in Jesus Christ throughout all generations forever and ever. Amen
